

You have read the article “Amateur Women’s Baseball Teams Existed as Early as 1866” and the passage from *The Belles of Baseball*. You have also viewed the video *Wilma Briggs reminisces about her baseball career*. Write an essay analyzing the relationship between the video and each of the two texts, including how the visual information presented in the video adds to an understanding of the topic as it is described in each passage. Use evidence from **all three** sources to support your response.
