

**2025 Test Proctor Grades 3-8 Scripts
for Computer-Based Testing**

Mathematics

**The Test Proctor Grades 3-8 Scripts must be used with the
*Test Administration and Proctoring Manual.***

At least one week before testing, Test proctors should complete the activities listed in the chart below. These activities are described in detail beginning on page 8 of the Test Administration and Proctoring Manual. Reading the Test Administration and Proctoring Manual and reviewing the Test Proctor Script prior to the day of testing will ensure that you are minimally prepared to successfully proctor a test administration.

Test Proctoring Script for Administering Mathematics

This Test Proctoring Script will be used for Sections 1 through 3 of the mathematics assessment. Each section is a 60 minute testing session.

On the first read through, Test Proctors are required to adhere to the script provided for administering the assessment. Read word-for-word the bold instructions in each SAY box to students. You may not modify or paraphrase the wording in the SAY boxes. Some of the SAY boxes are outlined with a dashed line and should ***ONLY*** be read aloud if they are applicable to your students. Some directions may differ slightly by section and are noted within the administration script.

It is critical to ensure that students have the appropriate accessibility features and accommodations prior to testing. Refer to the Test Administration and Proctoring Manual for further instructions on how to check accessibility features and accommodations. The Test Administration and Proctoring Manual is located on the Illinois Support Site at <https://il.mypearsonsupport.com>. Test Proctors must make sure all testing devices are turned on and logged on to the TestNav application. ***If headphones are needed for accessibility purposes, make sure they are plugged in prior to launching TestNav (except for headphones that are used as noise buffers).***

Section	Section Testing Time	Required Materials	Start Time	Stop Time
Sections 1-3	Grades 3–8 (each section): 60 Minutes	<ul style="list-style-type: none"> • Student testing tickets • Pencils • Scratch paper 		

Before students enter the room:

1. Log into your Proctoring Session with your Test Proctor testing ticket. Go to <https://il.adamexam.com/#/proctor> and enter the test code and proctor password from your ticket into the login screen and click submit.
2. After submitting your test code and password, an online version of the Security Agreement will pop up. Read and agree to the Security Agreement, even if you have already signed a hard copy of the Security Agreement. You will not be allowed to proctor the test without signing the online agreement.
3. Select the Save button to view your dashboard.
4. Display the Test Code and Seal Code 1 on a board in the front of the room where all students can see both the test and seal code. Only display one seal code at a time to prevent students from completing additional test sections.
5. Verify that the accessibility features and accommodations have been applied. If not, contact your School Test Coordinator.
