

# Learning Renewal Interim Assessment

**New Features**

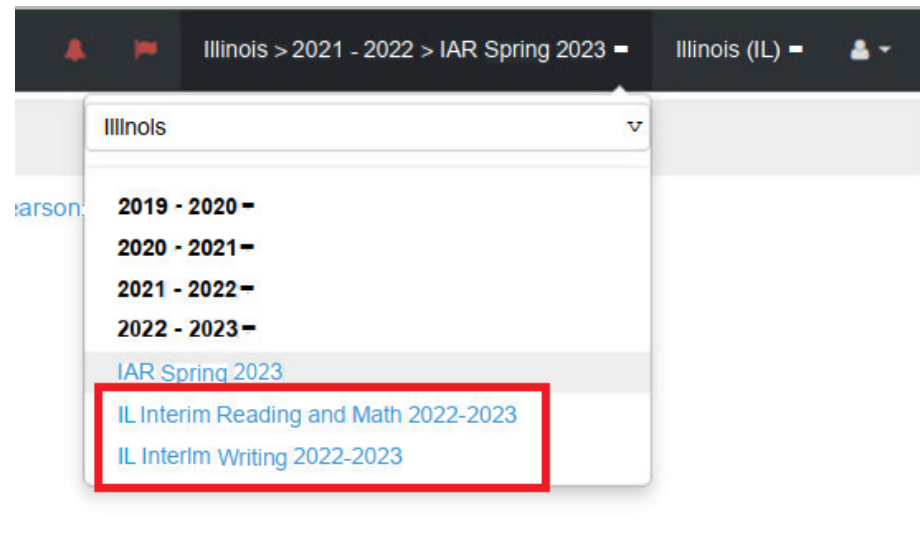

# PearsonAccess<sup>next</sup>

## New Administration

The 2022-2023 administration is available under the 2022-2023 drop down tab:

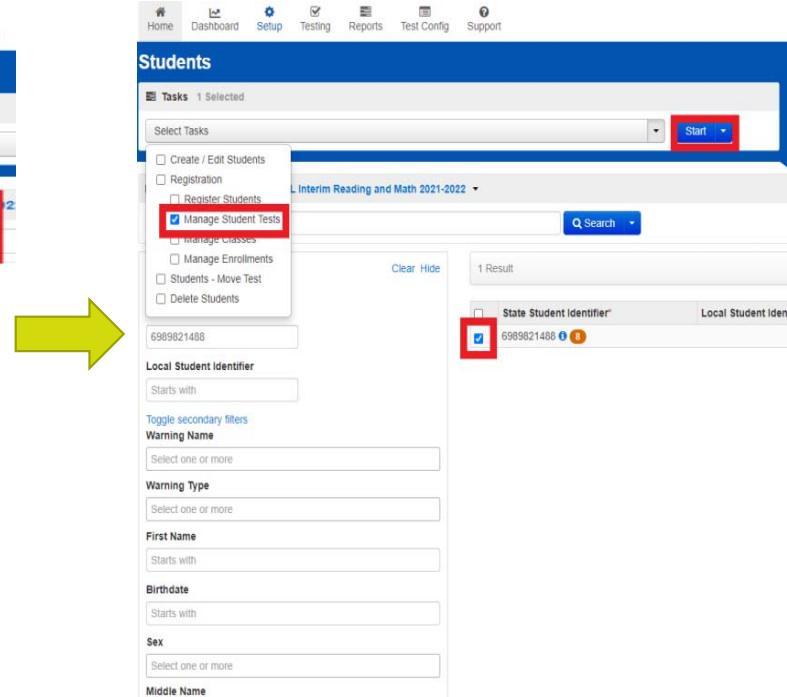

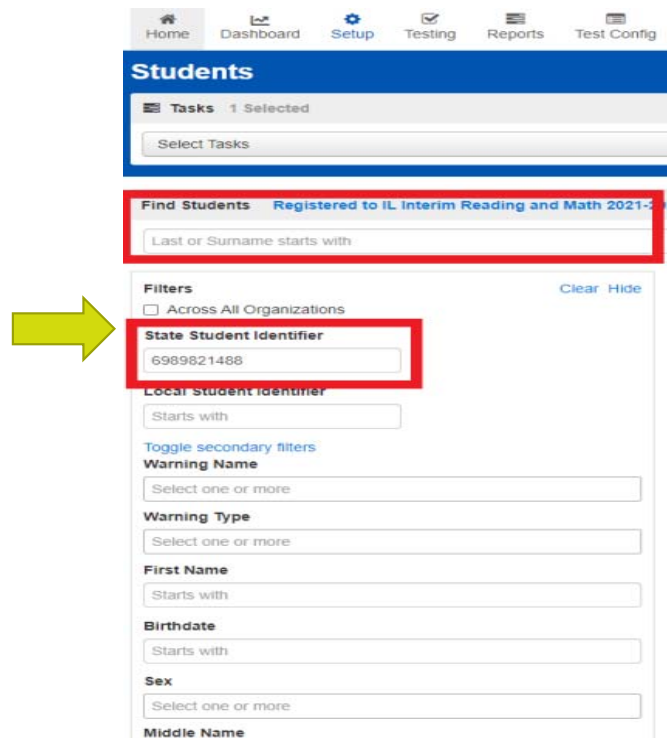

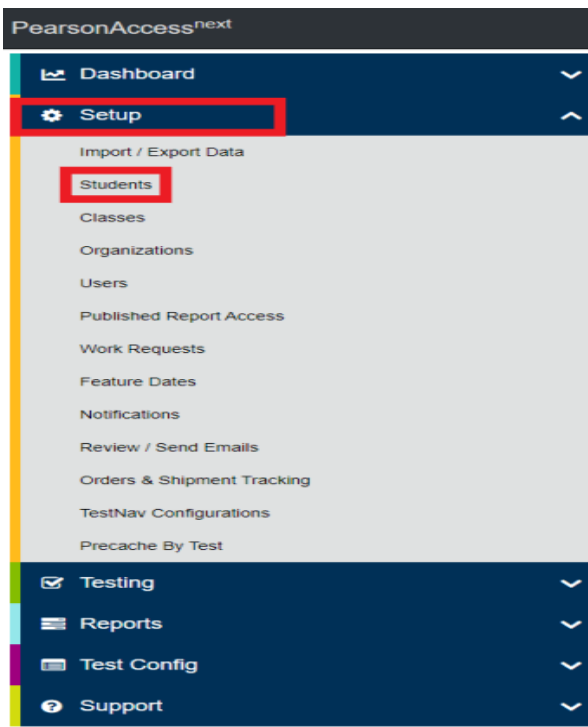

- IL Interim Reading and Math 2022-2023
- IL Interim Writing 2022-2023

# PearsonAccess<sup>next</sup>

## Void test

If a student completes a test with incorrect accommodations or needs to retest for another reason, the student test can be voided. Locate the student by going to the Setup tab and click on Students. Find the Student by name or State Student Identifier and check the box next to the State Student Identifier. On the Students screen, Select Tasks, Manage Student Test, then click on the Start button.

# PearsonAccess<sup>next</sup>

## Void test

Select the completed Test Assessment that needs to be voided. Check the box next to Void Test Score Code and Select Void Test Score Reason and Save. The selected Test Assessment will have (VOIDED) next to it to confirm the test is Voided. **Note:** A student can only retest one time per subject.

## Void test

The student will need to have a new test assignment to retest. Stay in the Manage Student Test screen and click on Create Student Tests. Complete the fill in boxes, Student, Test, Organization, Test Format and add the accommodations needed for the student and click the Create button. Another test assessment will appear for the student. The new test assignment for this student will need to be added to a different session for the test to be administered.
