

# Stopping Test Sessions Guide

## Learning Renewal Interim Assessments

Version 1.0

August 2021

The purpose of this document is to provide information on how to successfully manage and stop test sessions in PearsonAccess<sup>next</sup>. The following are common situations that will require actions by the Test Administrator or Test Coordinator.

### Identify students that need to be marked complete

Check for students that have started the test but tests are not submitted. Go to **Reports > Operational Reports > Online Testing > Session Roster**.

Step	Directions
Run the Session Roster operational report.	<p>The Session Roster report can be used to help identify students that need to have their test marked complete.</p> <ul style="list-style-type: none"> <li>• Set the administration scope.</li> <li>• Go to <b>Reports &gt; Operational Reports</b>.</li> <li>• Select <b>Online Testing</b>, and then select <b>Session Roster</b>.</li> <li>• On the next screen, <b>Download Report</b> version of the report. Identify students that are not in a complete, marked complete or ready status. These students will have to have action taken on them.</li> </ul>

### Identify Sessions that need to be closed.

Check for sessions that are in a started status. Go to **Testing > Sessions**.

Step	Directions
Identify sessions that need to be closed.	<ul style="list-style-type: none"> <li>• Go to <b>Testing &gt; Sessions</b>.</li> <li>• Select Started from the Session Status field under Filters.</li> <li>• Select all the sessions in a started status and then go to <b>Students in Sessions</b>.</li> <li>• Follow the steps found in Part A–E to close the sessions.</li> </ul>

Document Part	Description of Action
Part A	All students are completed in the session, and there are no make-ups, refusals, or other special circumstances that prevented any student in that session from finishing.
Part B	Student refuses, was absent for all testing, or was disruptive, and will NOT be participating in any make-up testing.
Part C	Students exited/did not submit correctly but are done testing.
Part D	Students completed a partial test but will not complete the full test.

## Part A: All students test and submit responses

All students are completed in the session, and there are no make-ups, refusals, or other special circumstances that prevented any student in that session from finishing. If all students have navigated through the test administration successfully and submitted their responses, follow the steps in this table.
