

Family Portal and Video Individual Score Reports

The Illinois Assessment of Readiness for English Language Arts/Literacy (ELA/L) and Mathematics and the Illinois Science Assessment

Dear Parent or Guardian:

(Insert School/District Name) is pleased to inform you that the Parent Portal, where you have been accessing the video version of your child's test results, is changing to Family Portal. Illinois Assessment of Readiness (IAR) and Illinois Science Assessment (ISA) test results will now be available at the following URL: <https://familyportal.pearson.com/IL>.

IAR and ISA Family Portal – The IAR and ISA Family Portal will house individual student results and resources to support everything you need to know about your child's performance on the Illinois Assessment of Readiness for English Language Arts and Math and the Illinois Science Assessment. This portal also allows you to add your student's spring test results to your user account and access them in the future.

- **Video Individual Score Reports (Video ISRs)** – Video Individual Student Reports (ISRs) are personalized videos created specifically for your child and walk you through the information presented on your child's score report. Video ISRs, which are delivered via the IAR and ISA Family Portal, combine student-specific animation and voiceovers to help you better understand your child's assessment results and direct you to resources that are tailored for your child's needs. We encourage you to watch these videos with your child and discuss any questions with your child's teacher.

As in the past, you will continue to receive paper copies of the ISRs. Additionally, an individual student identifier unique to your student will allow you to securely access your student's test results in the IAR/ISA Family Portal.

The IAR and ISA Family Portal and video ISRs will be available beginning at the end of August.

We are excited about the opportunity to strengthen our efforts with you to effectively communicate your student's performance on the Illinois Assessment of Readiness and the Illinois Science Assessment.

Sincerely,

(Chief School Administrator or School Principal's Name)
