

## Appendix D: Unique Accommodation Request Form

**Directions:** If a student with a disability or an EL requires an accommodation (i.e., a “unique accommodation”) that is not listed in the *Accessibility Features and Accommodations Manual*, and does not change the construct being measured by the test, the school may request the use of an accommodation not currently listed in this manual by using this form. If approved, the accommodation must be listed in the Individualized Education Program (IEP), Individual Service Plan (ISP), 504 plan for a student with a disability, or an EL plan.

To request approval for a unique accommodation, both pages of this form must be submitted to ISBE by the principal or designee or District Test Coordinator at least six weeks prior to testing to ensure a timely state response is received. A copy of this form must be kept in the student’s file and, if appropriate, retained at the district office.
