When the unit time is finished, read the following optional SAY box if there are students still actively testing. If another unit will be administered after a short break, stop the directions after exiting the unit. (Do not have students log out of TestNav.)

For Unit 3, Select the “Submit Final Answers” button.

I will now collect your student testing ticket and scratch paper.

- Circulate throughout the room to make sure all students have successfully logged off. Then, collect student testing tickets and scratch paper.
- Ensure all students are in **Exited** status if they have not completed the test, or **Completed** status if they have finished all units.
- Return all test materials to your School Test Coordinator. Report any missing materials and absent students.
- Report any testing irregularities to your School Test Coordinator.

If you are administering more than one unit in the same day, allow students to take a short break (e.g., restroom break, stretch break) or extended break (e.g., lunch). Once students have returned and are seated, read the script to move on to the next unit.
