

This guide outlines the procedure for deactivating users who are no longer associated with the organization. Please review the following permissions: District Test Coordinators (DTCs) are authorized to remove other DTCs, School Test Coordinators (STCs), Technology Coordinators, and users with Report Access. School Test Coordinators (STCs) may remove STCs, Technology Coordinators, and users with Report Access. Please note that it may take up to 24 hours for the changes to be reflected on the platform.

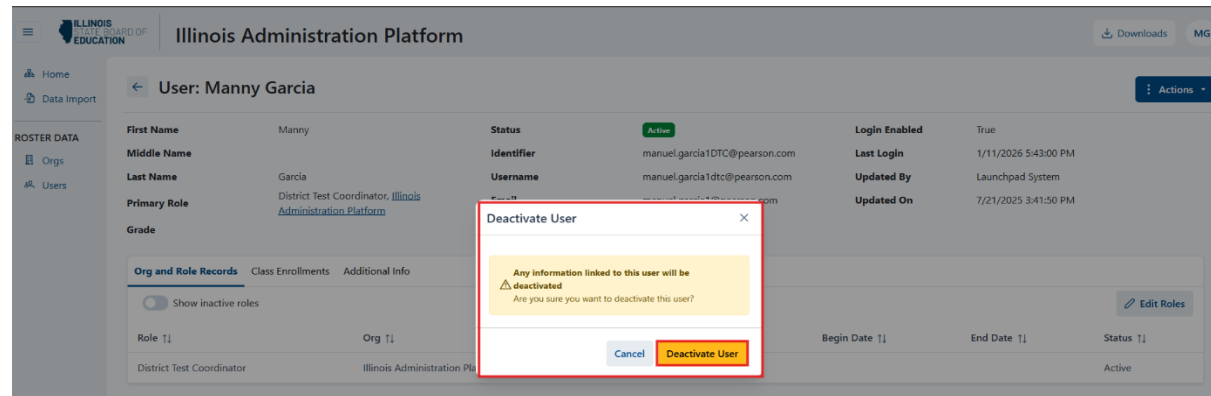

How to Deactivate a User: Follow the steps below.

Steps/Directions	Screenshot
Log in to the Illinois Administration Platform. Once logged in, navigate to the "Users" section.	
Search for the user to be deactivated. Use the search function to locate the appropriate user. When you find the user, click either the arrow or the pencil icon next to their name to access their profile.	

Select the Action button. In the user's profile, click on the "Action" button and choose "Deactivate User" from the dropdown menu.

Confirm deactivation. A pop-up window will appear. In this window, select "Deactivate Users" to confirm and complete the process.

How to Edit a User: Follow the steps below.

Steps/Directions	Screenshot
Log in to the Illinois Administration Platform. Once logged in, navigate to the "Users" section.	
Search for the user to be edited. Use the search function to locate the appropriate user. When you find the user, click either the arrow or the pencil icon next to their name to access their profile.	
In the user profile, click the "Edit Roles" button.	

Click on the plus icon to add the new changes.

Cancel Save Changes

Select the desired role and confirm the appropriate organization. If the change occurs within the same district, ensure that the role type is set to "Primary."

After confirming all selections are correct, find the incorrect role and click the trash can icon to remove it from the list.

Click the save button to finalize the updates to the user's roles.
